This blog will be about my life in Mexico. It will touch on the culture, the lifestyle, and day-to-day activities in this beautiful country. I will also cover traditional dishes that you should try when visiting Mexico along with beautiful photos of Mexican sunrises and scenery. I hope to give you an authentic glimpse into living here despite the stereotypes that are often perpetuated by Central American media. All views are my own, honest opinions not influenced by outside sources or sponsorships. I am a native English speaker and I have been living in Mexico for 5+ years and hope to continue for many more. Muchas Gracias! -Tracy
